# What We Don't Like

## For younger children

Inside the pieces of paper, draw or write things you don't like and would like to throw away. Use the mailbox to share this with your mother.

## For older children

Inside the pieces of paper, illustrate or describe things you don't like and would like to throw away. Use the mailbox to share this with your mother.

## For women

Inside the pieces of paper, illustrate or describe things you don't like and would like to throw away. Use the mailbox to share this with your child.

## For mother and child

Using a different colored paper, take turns illustrating or describing things you don't like or would like to throw away.
